- WHAT IS A FIREWISE COMMUNITY?**
- The Firewise USA® Program, developed by the National Fire Protection Association (NFPA), encourages local solutions for safety by involving homeowners in taking individual responsibility for preparing their homes and properties for the risk of wildfire.
  - The program provides resources to help homeowners learn how to adapt to living with wildfire and encourages neighbors to work together to take action now to prevent losses. The program is education-focused.
  - Being Firewise is the ability to live safely in a Wildland-Urban Interface (WUI) Depends on the use of Firewise principles to protect homes including landscape design and vegetation management
  - The program empowers residents to be active participants in fire prevention efforts in their community.
