Project Name:			
Parcel Numbers: (APN)			

Purpose: The Shasta County Fire Safe Council (SCFSC), its contractors, and cooperating agencies are conducting wildfire fuels reduction and/or defensible space projects to help protect life, property, and natural resources from wildfire. This Right-of-Entry Agreement authorizes the SCFSC and its agents to enter the property described above for the sole purpose of conducting such work.

Scope of Work: Work may include, but is not limited to: GIS Mapping, project boundary flagging, vegetation marking (flags or paint), chipping, removal of vegetation, mastication, defensible space activities, ingress/egress improvements, and all environmental surveys and/or studies required to design and prepare a fuel reduction project.

Terms and Conditions: Voluntary Participation: This agreement is entered into voluntarily by the property owner(s). **Access Authorization:** The property owner grants SCFSC, its employees, contractors, volunteers, and cooperating agencies access to the property for project work. **No Cost to Owner:** The property owner will not be charged for work conducted under this agreement unless otherwise specified in writing. **No Guarantee of Protection:** SCFSC makes no guarantees that the work will prevent damage or loss in the event of a wildfire. **Liability Waiver:** The property owner releases and holds harmless SCFSC, its employees, contractors, volunteers, and cooperating agencies from any and all liability for damages or claims resulting from project work, except for cases of gross negligence or willful misconduct. **Photographs and Documentation:** The property owner grants permission for SCFSC to take before-and-after photographs for project documentation, public reporting, and outreach. **Term:** This agreement shall remain in effect until project completion unless revoked in writing by either party. **Treatment Agreement:** Each property owner will negotiate the terms of the treatment agreement with SCFSC and its partners during the project setup and environmental approval process. No cutting or removal of any vegetation shall take place without a separate signed treatment agreement for each APN parcel or group of parcels.
