

Defensible Space is Required.

FREE HELP is Available.

Shasta County Ordinance No. SCC 2025-03 is now in effect, and inspections are underway. If your property isn't compliant, help may be available to you.

You may qualify for free help to get the work done.

Shasta County Fire, CAL FIRE, and the Western Shasta Resource Conservation District (WSRCD) offer free defensible space assistance to qualifying property owners.

If approved, trained crews complete the work at **no cost**.

What the Program Covers

- ➔ On-site property consultation
- ➔ Brush removal and ladder fuel reduction
- ➔ Hazard tree removal
- ➔ Leaf litter and fine fuel cleanup
- ➔ Work completed by qualified contractors to CAL FIRE standards

Who is Eligible

Shasta County property owners who:

- ➔ Live in high fire hazard or WUI areas
- ➔ Face physical, financial, or access barriers

Priority is given to low-income households, seniors, individuals with disabilities, and veterans. *Income limits apply. Funding is limited and first-come, first-served. Applying does not guarantee service.*

Fire season doesn't wait.

Creating defensible space helps reduce wildfire risk, improve firefighter access, and protect your home.
